Terms and Conditions

Introduction: The annual Loyalty Program is spend-and-redeem initiative for members of Energetic Rewards. The administrator and promoter of the Loyalty Program is Energetic Lighting Australia Pty Ltd (ABN 62 168 714 145).

Membership: Only active members of Energetic Rewards can participate in the Loyalty Program. Only licenced electrical contractors and companies are eligible to apply to become members of Energetic Rewards. membership is free and is offered at the discretion of Energetic Lighting Australia Pty Ltd.a. Only active members of Energetic Rewards can participate in the Loyalty Program. Licenced electrical contractors and companies can apply to become a member by completing an Energetic Rewards Membership Application Form. Fully completed formed are to be sent to by email to Energetic Lighting Australia Pty Ltd at promotions@energeticlighting.com.au for verification and processing. If the membership application is approved, Energetic Lighting Australia Pty Ltd will notify the applicant via email. Employees and trade account holders (like electrical wholesalers or distributors) of Energetic Lighting Australia Pty Ltd are not permitted to participate in Energetic Rewards (Loyalty Program and/or Monthly Redemptions).

Earning / Collecting Points: Members have the opportunity of a full calendar year (01 January to 31 December) to earn and accumulate points. A redemption period will be given 30 days after 31 December. Members can earn points by purchasing Energetic Lighting products through account holders of Energetic Lighting Australia Pty Ltd, after the member's joining date and up to 30 days prior the member's joinin date. To claim and be rewarded with points, members must provide proof of purchase in the form of tax invoices from a trade account holder of Energetic Lighting Australia Pty Ltd. Tax invoices must clearly display all the of the following:

- I. Name of the account holder (electrical wholesaler or distributor)
- II. Name of the member's trading company
- III. Date of which the transaction took place
- IV. Energetic Lighting product names and order codes
- V. Individual line item spend values

One (1) point can be earned for every dollar spent, excluding GST, on Energetic Lighting product.e. The maximum number of points that can be earned in a calendar year is 100,000 points. Accumulated points do not roll over to the following calendar year. Unredeemed points will immediately expire at the end of the redemption period for each calendar year. Any new points earned during the redemption period will not be attributed to the point balance of the year that has just passed. It will instead be allocated to the loyalty point balance of the new year.

Redeeming Points for Rewards: Members can redeem points that they have collected for rewards offered as part of the Energetic Rewards Loyalty Program at their own discretion. Members can only redeem points they have collected for rewards during the redemption period (during the 30 days after 31 December). Rewards cannot be returned or exchanged with points reimbursed for change of mind. Where the claim is from an individual, it is the sole responsibility of the claimant to ensure that they comply with all policies and procedures of their employer in relation to their participation and receipt of any benefits. Energetic Lighting Australia Pty Ltd will not take any responsibility for any claims that have been made in direct conflict to the policies and procedures of the claimant's employer. Energetic Lighting Australia Pty Ltd do not give any warranty or representation to any of the rewards on offer. In the unlikely event that a reward is faulty or damaged, it is the member's responsibility to arrange repair or exchange directly with the manufacturer/supplier. To redeem points for a reward, the member must complete the Energetic Rewards Loyalty Program brochure and email it to Energetic Lighting Australia Pty Ltd at promotions@energeticlighting.com.au within the redemption period. Rewards will only be delivered to the member's nominated electrical wholesale branch as indicated on their Energetic Rewards Membership Application Form. If a reward is unavailable, an alternate equivalent to a similar value will be provided. Energetic Lighting Australia Pty Ltd reserves the right to exclusively determine what is an alternate equivalent and what constitutes a similar value.

Point Balances: Members can ascertain their point balance by sending an enquiry email to Energetic Lighting Australia Pty Ltd at promotions@energeticlighting.com.au. Upon receipt of the enquiry email, a member of the Marketing team will reply to the member's current available point balance.
