

SUMMARY

The MarVelite V is a robust weatherproof floodlight for commercial and industrial applications, where performance, reliability and durability are critical. It features Five-Colour selectable technology offering the flexibility and convenience of 5 colour temperatures in 1 fitting, allowing installers to cater to a broader range of needs with fewer variants. It also features a breather valve for excellent heat management, a Flicker-Free driver for superior lighting comfort and an adjustable mounting bracket that allows the fitting to be tilted up to 90°. With its die-cast aluminium body, it is perfectly suited to harsh outdoor conditions.

PRODUCT DATA

Order Code	271004
Voltage	220-240V
Wattage	165W
Lumen Output	27000Lm
CCT	Five-Colour Selectable - 3K / 4K / 5K / 5.7K / 6.5K
IP Rating	IP65
IK Rating	IK08
CRI Rating	Ra≥80
Beam Angle	110°
Light Source	SMD Chips
Driver	Integrated Flicker-Free
Dimmable	No
Connection	1.5m flex & plug
Construction	Aluminium body / tempered glass cover panel
Fitting Colour	Black
PF	0.9
Net Weight (kg)	3.25
Lifetime L70B50	50,000 hours
Warranty	5 years
