

Features

- Die-cast Aluminium housing with excellent thermal management
- Tempered glass cover providing good protection for lens and chips
- High efficacy up to 160Lm/W
- 1.5m flex and plug
- DALI and 1-10V options available for made to order

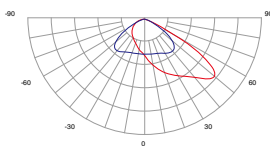

Applications

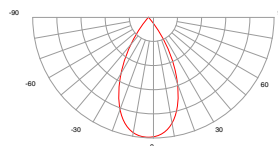

Industrial hall & warehouse, Car Parks, Large Areas, etc.

Warranty

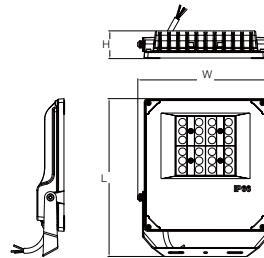

5 years

135x60°

60°

Product Data

Order Code	Asym/Sym	Wattage	CCT	Lumen Output	Distribution	Size (LxWxH)mm	Weight (kg)
273355	Asymmetric	50W	5000K	8000Lm	135*60**	268x230x47	3.0
273354	Asymmetric	50W	4000K	8000Lm	135*60**	268x230x47	3.0

[1] Operating temperature: -30°C~+45°C

[2] Voltage: 220-240V

[3] PF: 0.9

[4] *: Asymmetric options: 110*20°/110*40°

[5] Inrush Current: 20A@200µs

[6] Leakage Current >=0.75mA
