JUNE REDEMPTIONS TERMS AND CONDITIONS

THIS REDEMPTION

Our Monthly Redemptions are exclusive to licenced electrical contractors and companies who hold an active Energetic Rewards membership (Members). Account holders and distributors of Energetic Lighting Australia Pty Ltd (ELA) are not eligible to participate in our Monthly Redemptions and Loyalty Program. The tiered spend targets exclude GST and can be made up from multiple transactions across Energetic and/or Nordlux products purchased through approved electrical wholesalers and/or resellers within the spend period. Redemption claims are made directly through ELA by Members or their representatives. Proof of purchase, in the form of tax invoices, are required to redeem rewards. Rewards are not transferable for cash. Should a nominated reward not be available, an alternative product, or a gift card to a similar retail value, will be supplied at the discretion of ELA. See the Redemption Claim Process below for more information on how to redeem rewards. Monthly Redemptions cannot be used in conjunction with any other offer. ELA reserves the right to change or fully withdraw Monthly Redemptions at any time without prior notice.
