• Scandinavian minimalistic design

Slim Nordic design and innovative technology are combined in the most compelling way in the Clyde series. Clyde has a built-in moodmaker function, which allows you to adjust the light in three steps according to needs and situation from your regular wall switch.

Clyde is a beautiful functional floor lamp with two heads, where the lamp head in the top can be adjusted up and down as needed. This floor lamp is perfect next to the couch or your favorite chair as it provides a good reading light as well as warm cozy lighting in the evening with the built-in moodmaker function.
