0.363

Primary material: Metal
Secondary material: Glass
Color of the Glass: Sandblasted

• Manually blown sandblasted glass • Manually blown sandblasted glass

The rustic, maritime lamp, Marina, was designed by Kaare Bækgaard. The design was inspired by elements of the maritime environment, where the forces of nature mean lighting must be well-protected. The lamp's sandblasted bulb is encircled by rustic metal elements that add to the raw design.
