• Minimalistic design

The Piana series makes the outdoor space cozy and inviting. The modern and minimalistic series is named after the beautiful city on Corsica with the same name. The series is both decorative and sculptural, where the few selected details are in focus. Piana has integrated LED and is durable against wind and water, which makes it perfect for your outdoor area.

Piana is a small discreet wall lamp which provides a nice downward light. The lamp is produced of black lacquered aluminum and fits many interior styles.
