Sales Box Volume m³ : 0.0005
Net weight of the luminaire (kg):
0.181

- Connects electronics to Nordlux Smart set-up • Remote on/off and dimming
- Tracking of power consumption • Easy installation without the use of cables

This UK Smart plug connects your non-Smart electronics to the Nordlux Smart system. You can use it for remote on/off and dimming and you can track your power consumption directly in the app on your smartphone or tablet.

The sensor operates via Bluetooth and is connected to the Nordlux Smart Light app, where you easily regulate the movement and darkness sensitivity sensor. Mount the sensor directly on the wall or with the enclosed bracket to determine the direction of the sensor. The Smart Sensor being IP safe, makes it ideal for both outdoor and bathroom use and has a battery life of 400 days.
