UV-C DISINFECTION PRODUCTS**

# STERILITE UV-C LAMP

ORDER CODE: 440001

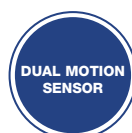

KILLS **99.9%**  
OF VIRUSES AND  
BACTERIA

Safely sanitise your personal space at home, office, or in your car with the germicidal power of UV-C light.

The Sterilite UV-C Disinfection Lamp is a revolutionary device that uses the power of UV-C light technology to eliminate bacteria. Suitable to completely sanitise bedrooms, wardrobes, living rooms, kitchens, offices and car interiors. UV-C light is a scientifically proven germicidal disinfectant against harmful viruses, bacteria, mold and spores, by breaking down the DNA of viruses and bacteria, so that they can no longer reproduce and cause illness.

## KEY FEATURES

Usage notice: On a full battery charge, this product can be used for 3x 30 minute cycles.
